

Bertie the Badger Museum Trail

Can you help Bertie find her friends?

Hello, my name is Bertie, and I live here at Reading Museum!

The Museum has been closed for such a long time, I have forgotten where to find my friends who live here too!

Can you help me find them?

This activity is free, but we would really love it if your adult could leave us a donation!

Follow Bertie's footprints on the map to search all of the galleries for her friends.

The magnifying glasses will show you where to look for Bertie's friends

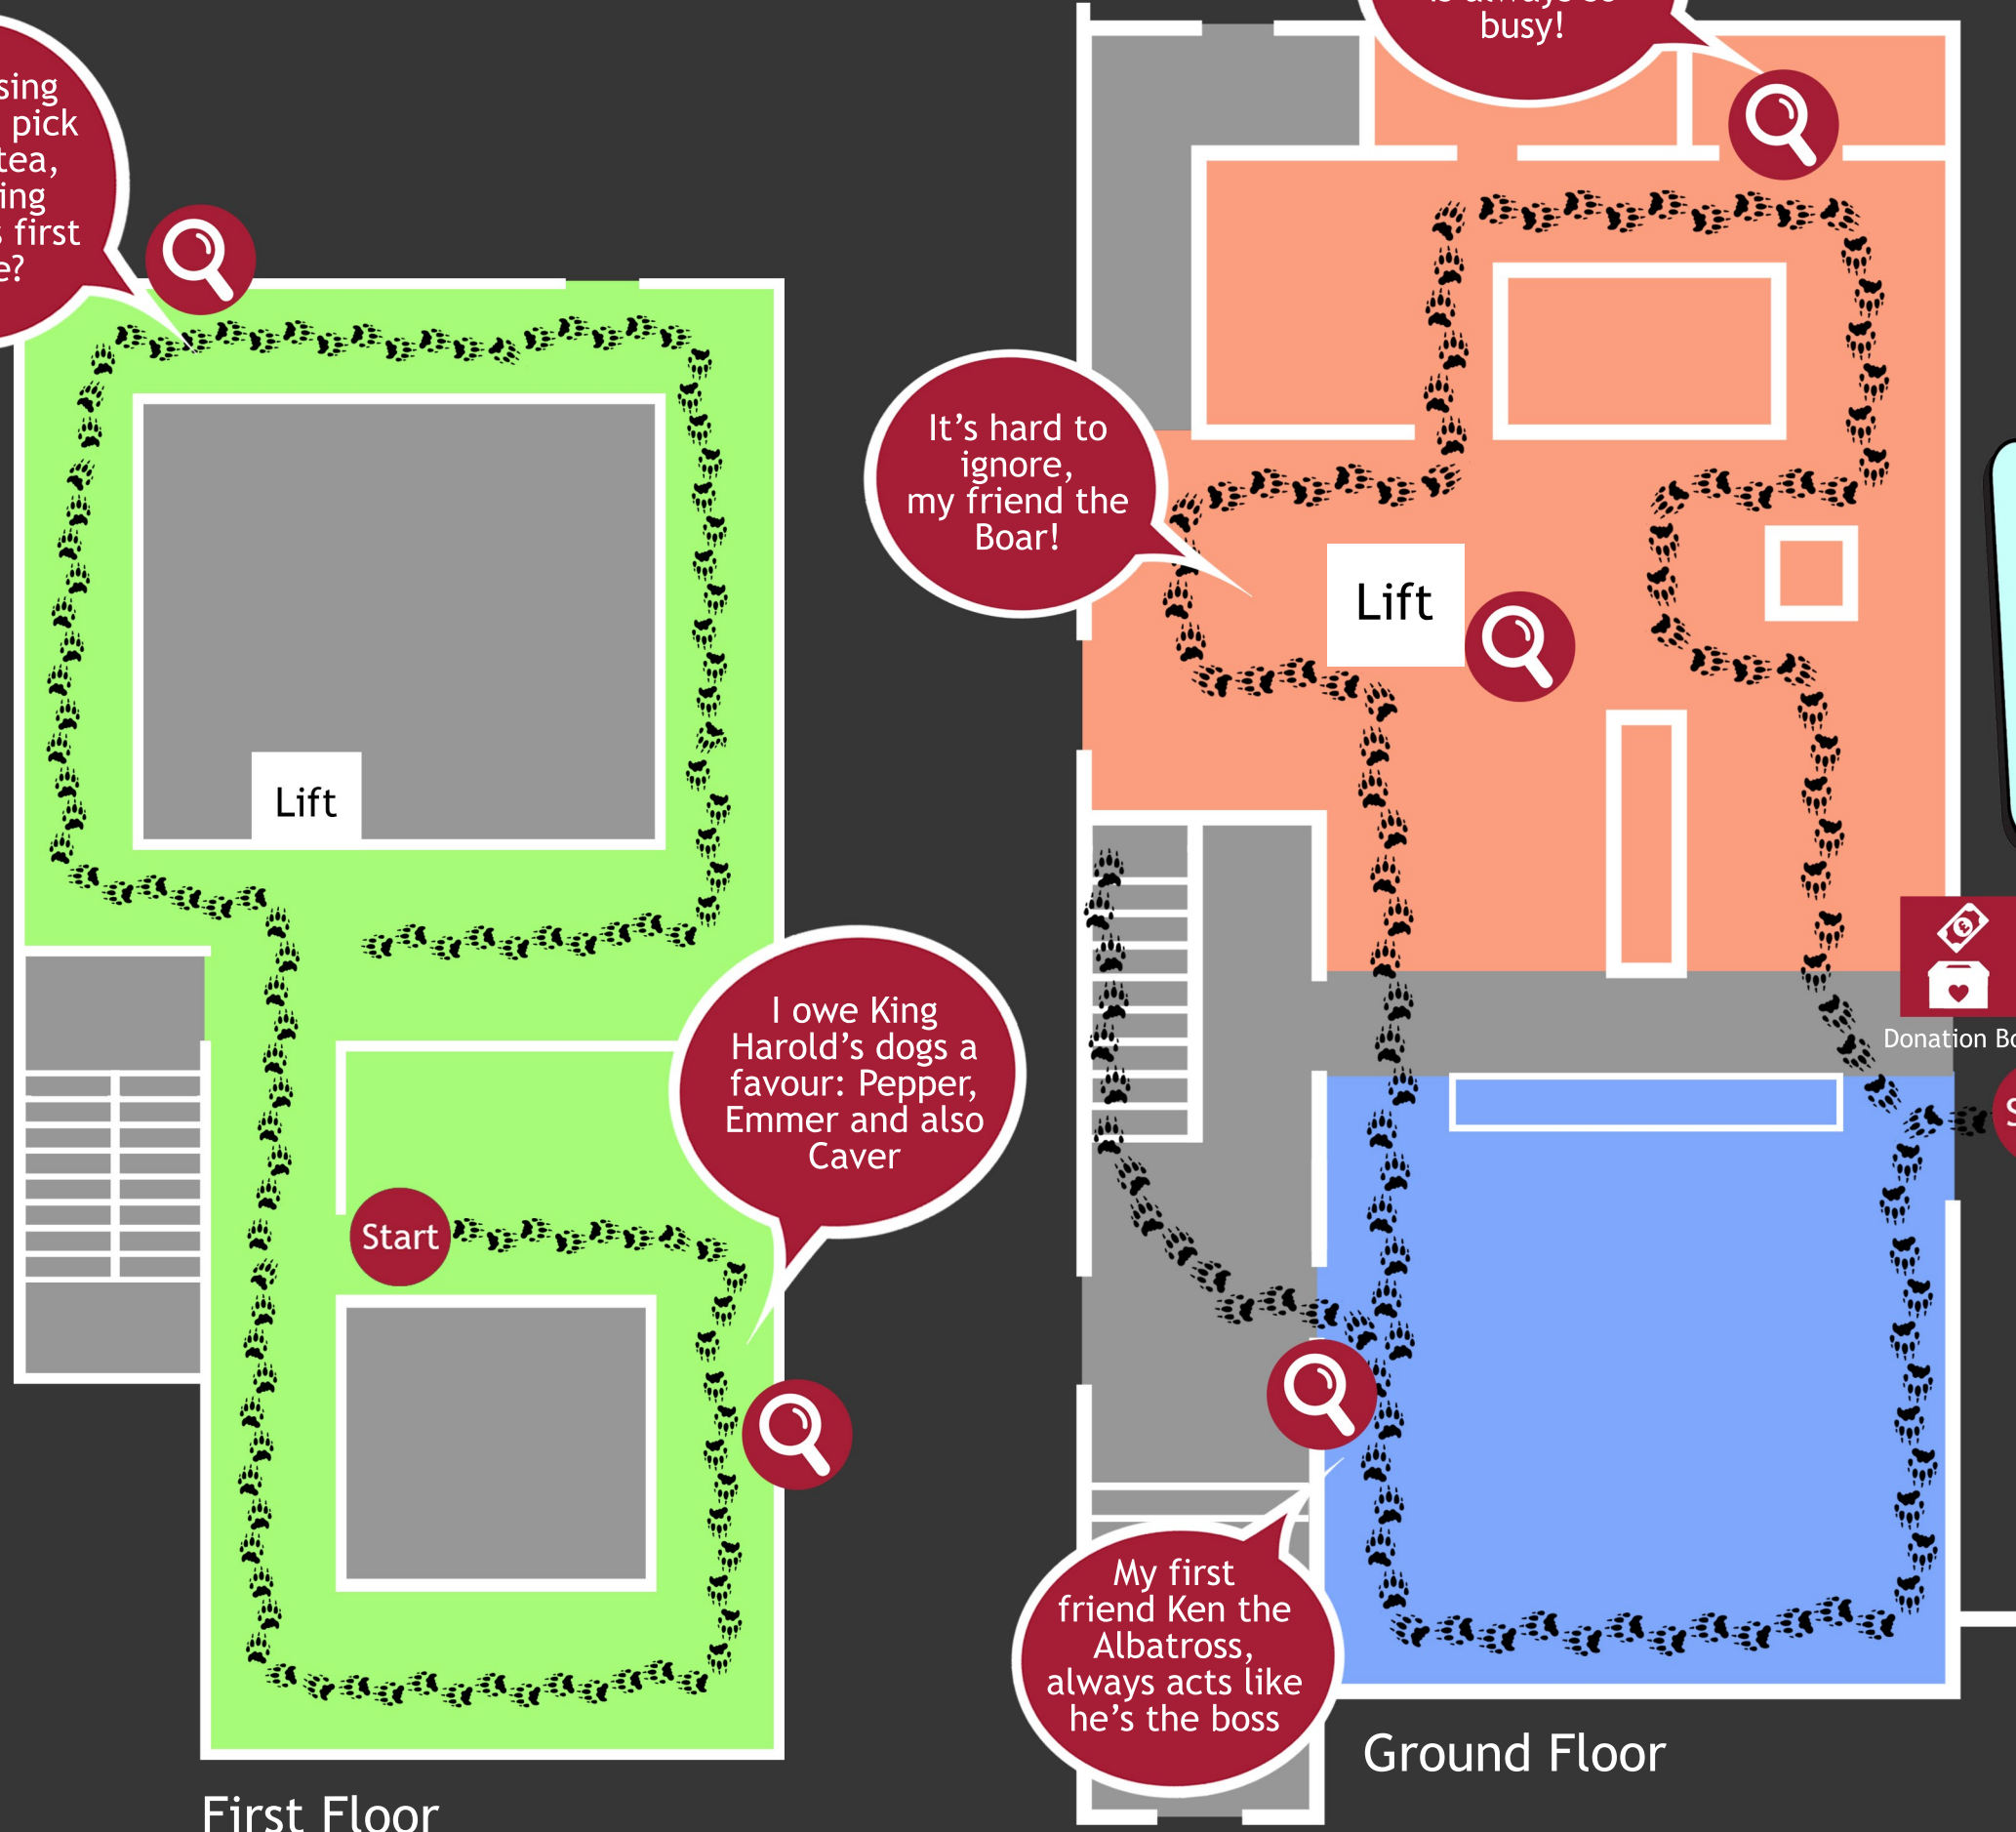

Is he using tongs to pick up his tea, or taking history's first selfie?

My friend Queen Lizzie, is always so busy!

It's hard to ignore, my friend the Boar!

I owe King Harold's dogs a favour: Pepper, Emmer and also Caver

My first friend Ken the Albatross, always acts like he's the boss
