

# Reading Museum - ANIMAL: World Art Journeys

## ACTIVITY CART *Frog on a lily pad*

1. Colour your frog and lily pad any colours you like, then cut them out.
  2. Cut out the bigger rectangle and fold it like a concertina, or a fan and stick it to the underneath of the frog and the lily pad to make him wiggle!
  3. Then colour the smaller rectangle red and use it to make his tongue!
- (Tip: ask a parent to use some scissors to make his tongue curly)
